

## Lenten Walk

Pastor Sonya's annual Lenten walk will be a little different this year. She will commit to 1000 minutes of walk/run/exercise AND you can help out. Since Lent is a season of discipline, if you would like to help reach the 1000 minute goal, just exercise for any amount of time and let Pastor Sonya know how many minutes you did and she'll add it to her total.

AND if you would like to sponsor this annual event, all proceeds will be split evenly between our Scholarship Fund and the Discretionary Fund. Please complete this insert and put in the offering plate with your monies. Checks can be made payable to the church with "Lenten walk" in the memo line or cash should be put in an envelope with the insert and marked "Lenten walk".
